CURRENT TRENDS IN NATURAL SCIENCES

19-21 April 2018, University of Pitesti, Pitesti, Romania

1. **Curtea de Arges Monastery** - one of the most beautiful religious edifices in Romania, a place of great history, legends and inspiring architecture.
2. **Poenari Fortress** - located on the top of the mountain, there is the Poenari Fortress, a former residence of **Vlad Tepes** (also called **Dracula**), built as a fortress against the Ottoman invaders. The ruins of Poienari Fortress stand high on a cliff overlooking the Arges River, at the foothills of the **Carpathian Mountains**. Built at the beginning of the 13th century by the first Walachian rulers.
3. **Vidraru Dam** - located on the bank of the Arges River, along **Transfagarasan Road**. It is considered by specialists a real jewelry of engineering.

Transport is provided by the organizers.
