

International Exchange Students Coming to the University of Bologna

- **Nomination:**

Please e-mail us the Erasmus+ nominees for 2018/2019 to incoming.diri@unibo.it providing the following details:

- full name, date of birth and e-mail address
- nationality if non-EU citizen
- period of stay (Fall/first semester, Spring/second semester, full academic year)
- subject area code of the exchange and university campus (Bologna, Forlì, Cesena, Ravenna, Rimini)

We remind you that, as specified in our BA page 1 “B. Mobility numbers per academic year”:

The number of students each institution will send may by no means exceed the number of students mentioned in this agreement. More specifically shorter periods of stay do not allow for the sending of more students, i.e. on an exchange of 1 student for 10 months, a partner cannot send a student for 5 months, not even if their stay covers different semesters. Each part will take this into consideration when organizing students selection.

Nominations deadlines:

July 1st 2018 for the 1st semester (September 2018- January 2019) or full academic year

December 1st 2018 for the 2nd semester (February 2019-July 2019)

- **Application:** As soon as we make the registration, nominated students will receive an email with the invitation to register on line (Acceptance Message).

Important: There is no deadline to apply and we do not ask to send any paper certification.
Exchange incoming students do not need to enrol or register for courses.

Information

- There is not a mandatory date of arrival but we the students should check the academic calendar of the faculty of their interest to know about the starting date of the courses.
