

**1. Where do you come from and what do you study back home?**

I study at Jan Evangelista Purkyně University in Ústí nad Labem in the Czech Republic.  
I study master degree in Landscape Revitalization.

**2. Why did you choose Slovenia as your exchange country and why did you choose Environmental Protection College (EPC) as your exchange higher education institution?**

I was in Slovenia twice on the vacation and I really wanted to know this country better. Slovenia offers lots of beautiful places and I needed more time to explore these places. I chose Environmental Protection College (EPC) because it is a similar school like my home faculty in terms of field of study and available courses and it is also small faculty with family and friendly atmosphere.

**3. What do you think of Velenje/Slovenija?**

Velenje is a peaceful town with lots nice and friendly people and lots of sports activities. Also the student dormitory is very good.

**4. What do you think of your host institution – Environmental Protection College (EPC)?**

Environmental Protection College (EPC) offers lots of interesting courses. I also appreciate the possibility to participate in the fieldtrips. Also, communication with the International office is excellent.

**5. Are you satisfied with the way your study at the EPC is going?**

Yes, I am.

**6. What are your main professional interests in and how do you see your future career?**

I would like to find a job where I could apply my skill I got during my study. My future career should be in accordance with conception of environmental protection.
